Obituary.

Robert Wayne, son of C. C. and Minnie Redkey, was born July 1, 1913. His coming brought much joy. Only a few months before the Death Angel had claimed the baby of the home and left the household lonely but the new baby helped dispel the gloom. Little did the fond parents think as they lavished their affection on him that their hopes were once more to be blighted but the Master saw that he had need of him and at 7 p. m. on Tuesday, June 23, 1914, he gently folded him to his breast and took him home.

His stay on earth was brief, a few days less than one year, but it was long enough for his cunning ways and sunny smiles to win him many friends. Early last spring when the cradle roll was organized in the M. E. Sunday School his name was among the first entered on the list and now he is the first to be promoted to the Heavenly roll. The family circle is broken once more but as we think of the number on earth growing less let us remember that another pair of little feet is added to the number treading the golden strand and that now two pair of baby hands instead of one are reaching out beckoning their loved ones to Heaven-ly lands.

If Kidney and Bladder Bother Then Foley Kidney Pills.

Overworked kidneys will break down if not helped. When they can no longer protect the blood and the body from the poisons that come to them, then look out for Bright's disease, serious kidney trouble and bladder annoyances. Foley Kidney Pills are your best protection, your best medicine for weak, sore, overworked kidney and bladder weaknesses. adv
